

Issue Report

Site quality report for <https://painpad.co.uk/> produced on January 17, 2025.

Accessibility

1 pages with accessibility problems

Accessibility

This section shows accessibility issues, indicating problems for older users, people with disabilities or accessibility needs. Automated testing cannot detect all accessibility issues, so should be used alongside human testing.

Level AAA

1 issues on 2 pages

- ❏ Don't use CSS animations or transitions in interactions without giving the user a way to turn them off.

Use the `@media (prefers-reduced-motion)` media query to respect user preferences.
